

## BCP OFFERS FULL-SERVICE WAREHOUSING

*Let us handle your storage, distribution, and inventory control needs.*

### UNLOADING – STORAGE – INVENTORY CONTROL

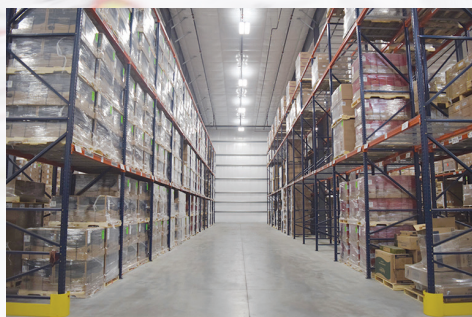

We can provide a completely hands free solution, or simply provide the space for you to operate.

**WHATEVER YOU NEED!** We accommodate inventories from a single pallet to thousands.

*Odd sized pallets? Not a problem, we can handle those too!*

### You'll benefit from features and options that include:

- » A recently built temperature-controlled, state-of-the art food-grade warehouse
- » Online, cloud-based inventory tracking
- » Barcode-capable
- » Short-term to long-term warehousing options
- » Transportation Available
- » Disposal Services & Recycling
- » Container Unloading

**Cross-docking needs? We'll gladly unbox, rebox, and palletize your load.**
